

Ralph and Ruth Shareski

Ralph and Ruth (currently in Canada for six months) praise God for the continued growth in maturity and numbers at Haus des Herrn (church in Germany). Several house groups have multiplied, 15 people were baptized (many of whom were new converts), two “Encounter” weekends were held, five “Fellow meets God” café evenings and a new CD was released (see “Haus des Herrn Mannheim” on iTunes). Please pray for complete healing for

Ralph as his white blood cell count has increased. His next appointment with his oncologist is on **January 25**, Doctors are considering a further chemo-therapy and bone-marrow transplant. Please also pray for good health and wonderful family times for Ralph and Ruth while they are in Canada. Pray for good opportunities to visit with people and groups to share their vision for helping their church in Mannheim plant new churches, and to fill us in on what’s happening there as God works in lives.
